Consort Institute/SPSU - Premier provider of professional level workforce training courses!

80 hour program that resulted in many high paying jobs might be free to you – Consort Institute, in cooperation with Southern Polytechnic State University, has created the most effective Healthcare IT program in the nation. Our program is so effective many students get Health IT jobs without the required number of years' experience in Healthcare. Four students in our current class have received and accepted professional jobs from the Center for Disease Control; McKesson, the nation's largest Health Care IT company; Gwinnett Technical College; and a consulting firm while still attending AT-HIT classes. Our program is so effective that you may qualify for WIA. Which means free to you! The most amazing things about our program is that it only takes 80 classroom hours to complete. Ten Saturdays from 8:30-5:00 is all it takes for you to have a brighter future. If you have been disappointed in your

current industry consider transitioning to a higher paying and stable healthcare industry. If you have a bachelor's degree make sure you stop to talk to us. Don't miss this great opportunity especially when it could be free to you, be sure to ask me about WIA. 404-406-9020. Visit: www.consortinstitute.com Career Opportunities: Healthcare IT A bachelor's degree is required!

Community & Southern Bank - With more than \$2.6 billion in assets and over 40 branch locations in metropolitan Atlanta and across Georgia's northern, eastern, and western regions, the Community & Southern Bank ("CSB") philosophy is to operate in a diversified, risk-averse manner, and to offer our customers the best in customer service with a broad array of products, including online and mobile banking, treasury management tools for businesses and traditional depository and lending products to meet their banking needs. Our mission is to serve customers with excellence, integrity, and innovative thinking. CSB team members are innovative and take ownership of helping customers achieve their goals and ambitions. Our workplace is intuitive, fun and simple. We are committed to our culture, centered on these five values - making a difference, developing innovative solutions, serving with passion, acting with urgency and being professional to deliver a positive customer experience. **Corporate and Branch Career Opportunities: Personal Banker, Accountant, Accounts Receivable, Para Lenders, Marketing, Business Sales, Branch Managers, Portfolio Analyst, Human Resources, Full Time and Part Time Tellers. Bilingual Professionals welcome.**

Comcast Corporation is one of the world's leading media, entertainment, and communications companies. At Comcast, our integrity and reputation for ethical business and organizational practices are widely known. We are unquestioningly proud of our good name and high standards of conduct. We believe our employees are our greatest strength, and so we strive to make their experience working for Comcast a positive and rewarding one. If our employees succeed, we believe our Company will, too, which is why we offer competitive employment packages, invest heavily in career development, and listen to what our employees have to say about how we can improve their experience as well as the experience of our customers. **For career opportunities, please visit our website @ www.comcast-jobs.com** . We offer a wide array of choices, including Accounting/Finance, Business Operations, Customer Service, Communication Technicians, Engineering, Information Technology, Internet, Marketing, Programming, Sales and Technical Operations. No matter which career interests you, when it comes to employees, our reputation and future success are founded on six core values: ethics, flexibility, employee focus, quality, diversity and enthusiasm.

DeVry University and Keller Graduate School of Management - As one of the largest degree-granting higher education systems in North America, DeVry University provides high-quality, career-oriented associate, bachelors and master's degree programs in technology, science, business and the arts. The seven master's degree programs in management are offered through **DeVry University's Keller Graduate School of Management**. Our academic programs have a curriculum that is highly responsive to industry trends and taught by working professionals. Convenience and flexibility are emphasized with classes offered at different locations, online or a combination of both so students can balance work commitments, personal priorities and education. Locally, DeVry University and Keller Graduate School of Management have seven Atlanta-area locations: Alpharetta, Buckhead, Cobb-Galleria, Decatur, Duluth, Perimeter and Stockbridge. We are accredited by The Higher Learning Commission of the North Central Association, www.ncahlc.org. Click on www.devry.edu to learn more or call 404.270.2803. **Higher Education/Career Opportunities:** Associate, Bachelor's, Master's programs and Atlanta campus faculty and/or on-line faculty positions.

DriveTime – DriveTime is the largest chain of privately owned financing dealerships in the country; with 88 dealerships and plans to grow in new and existing markets by 15% in 2012. If you're looking for bigger, better opportunities with a solid, performing company, this is it! Learn more at www.DriveTime.com. **Career Opportunities:** Sales Managers, Sales Associates, Auto Technicians.

DiversityHiringExpos.com – We produces diversity & bilingual recruitment events, coast to coast, including the event you're participating in today. We seek professional sales people with established business to business relationships, not telemarketers. Your job is to secure booth spaces for major companies by contacting their Corporate Recruiters and HR Managers via phone. You must be self-motivated, professional, well spoken, and able to work independently to meet goals. **Career Opportunities:** National Accounts Sales Manager - You will be a 1099.

Genuine Parts Company- NAPA – APAR Shared Services Center Genuine Parts Company (GPC) is a service organization engaged in the distribution of automotive replacement parts, industrial replacement parts, office products and electrical/electronic materials. Our products and services are offered through a network of over 2,000 operations, geographically located across the United States, Canada and Mexico. With over 80 years of distribution expertise, our well positioned, regionally located distribution centers provide us with the unique ability to adapt our product and service lines to better suit our customers' needs. GPC's commitment and reputation for just-in-time service position us as a critical partner in our customers' success. Genuine Parts Company consists of many subsidiaries: NAPA – The Automotive Parts Group (Automotive), Motion Industries (Industrial), SP Richards (Office Products), EIS (Electrical), Others. **Career Opportunities:** Accounts Payable Managers, Cash Applications Supervisors, Accounts Payable Supervisors, Accounts Payable Specialists, Accounts Receivable Specialists. Visit: www.napaautojobs.com for description of duties and job requirements.

Georgia Department of Labor - The Georgia Department of Labor provides a wide range of services to job seekers and employers. These include administration of Georgia's unemployment insurance, employment service, and vocational rehabilitation programs; provision of workforce information to the public and private sectors; inspection of boilers, pressure vessels, amusement park and carnival rides; and oversight of child labor issues. The Department of Labor is the state agency designated by the governor to lead the state's implementation of the Workforce Investment Act of 1998. To learn more about employment, go to: www.dol.state.ga.us.

Grand Canyon University - Today, more than ever, a college education can give you an enormous advantage in both a military and civilian career. GCU is regionally accredited and emphasizes individual attention for both traditional undergraduate students and the working professional in six colleges: the Ken Blanchard College of Business, the College of Education, the College of Nursing, the College of Arts and Sciences, the College of Fine Arts and Production, and the College of Doctoral Studies. GCU offers campus-based programs and online bachelors, masters and doctoral degree programs. **Military Program** - Unfortunately, the rigorous demands of the military lifestyle, including long hours, irregular schedules and frequent relocation, can make earning your degree difficult. For this reason, GCU has developed a program specifically to meet the needs of military professionals, DOD personnel and their families. In recognition of our outstanding support for military students, Grand Canyon University was recently named one of the top Military Friendly Schools by GI Jobs Magazine. **GCU Career Opportunities** are as diverse and interesting as our campus-based and online classes. We know it takes a team of dedicated employees, cutting edge technology, and rigorous academic programs to give our

students an education that prepares them to lead and serve. If you're ready for an outstanding career opportunity working with a community of inspired individuals, we invite you to come and explore what GCU has to offer. **Higher Education Opportunities - GCU offers online Bachelors, Masters and Doctoral degree programs as well as traditional campus-based programs. Visit: <http://www.hr.gcu.edu/> or <http://www.gcu.edu>.**

Primerica Financial Services - Primerica is more than just financial solutions. The New Primerica is the largest independent financial services marketing organization in North America. We are the one company positioned to dominate the distribution of financial services and products to the greatly underserved middleclass market. Primerica offers a part-time and full-time business opportunity that is unbeatable! If you're looking for extra monthly income or if you would like to start a business without making a large financial investment, Primerica is the opportunity for you! The potential for future expansion is UNLIMITED.

Prudential - Prudential Financial (NYSE: PRU), CHALLENGE YOUR AMBITION. We've got the tools to take you to the next level. If you're looking for a career that's going to take you to that next level, look no further. Becoming a Financial Professional Associate (FPA) is a challenging, rewarding, and potentially lucrative career. Here you'll find a career path that grows as fast as you choose and in directions you decide. It means focusing on people and their potential. The Prudential Insurance Company of America is a company driven by the power of talent — your talent. Our entrepreneurial environment is ideal for someone who can make the most of the industry-leading tools, technologies and programs we provide —someone like you. This is an exceptional opportunity for the right person, and we are strongly committed to helping our new sales professionals achieve all they desire within the insurance and financial services industry. **Career Opportunities: Financial Professional Associate - FPA (Outside Sales)**

ProvNet Strategies, Inc. - (Virtual Participants Not in Attendance) ProvNet has been serving the community since 1997. We specialize in locating network discount programs and offering everyone access to the benefits. We offers help with prescriptions through **CVS Caremark prescription discount card**, made available to everyone today. **CVS Caremark** – discounts for most prescriptions when not using insurance. ProvNet also offers discount services for dental and eye care. **If you or a family member is in need of any of these services, please contact Wendell Kraus at 912-598-5364. Georgia & South Carolina Career Opportunities: Experienced Sales Professionals** - Get paid by maintaining relationships established with doctors and dentists! You will contact Doctors' Offices, Clinics and Healthcare Providers to present the discount prescription program. **Qualified candidates only should email resume to: Wendell Kraus at lwkraus@comcast.net.**

The Art Institutes -When you are inspired to create, the future is yours. At The Art Institutes schools, you can get the creative degree to turn your passion and inspiration into a career. At one of our schools across North America, you'll join a creative collaborative environment and get hands-on skills to make it in the real world with exciting degree programs in the areas of **design, media arts, fashion, and culinary. Higher Education & Career Opportunities: Associate, Bachelor, and Master's Degree programs, as well as diploma and certificate programs.** Visit: www.artinstitutes.edu.

U.S. Customs & Border Protection We are the guardian of our nation's borders and America's frontline. We safeguard the American homeland at and beyond our borders. We protect the American public against terrorists and the instruments of terror. We steadfastly enforce the laws of the United States while fostering our nation's economic security through lawful international trade and travel. We serve the American public with vigilance, integrity, and professionalism. **Career Opportunities: Border Patrol Officers, Management and Program Analyst, Telecommunications Specialists, IT Specialists.** View Atlanta and other careers at: <http://www.dhs.gov/xabout/careers>

U.S. Drug Enforcement Administration - **U.S. Citizenship required. Candidate must be 21 yrs. old or up to 37 at appointment.** We're the Federal Government law enforcement agency that has the responsibility of enforcing the drug laws of the Controlled Substance Act. **Special Agents** are criminal investigators who conduct complex investigations on drug traffickers and their organizations. Many of these investigations will take an agent to different areas of the United States and also to other parts of the world. Applicants must be in excellent physical condition, a college graduate with a 2.95 cumulative GPA, willing to relocate anywhere within the United States, pass a written exam, pass a panel interview, pass a drug screening examination, take a polygraph and psychological exam, pass a medical exam, pass a Physical Task Test, and a very in depth Background Investigation. Once an applicant passes all of these requirements, they could then be offered a job as a Special Agent. The DEA is currently in need of

minorities and females who would be interested in an exciting career in federal drug law enforcement. We desire, however to employ only those individuals who are most competitive for the job as special agent regardless of their gender, race, or ethnic origin. **To learn more about this exciting career as a Special Agent visit: www.dea.gov. Email: Atlanta.Division.Recruiting@usdoj.gov. Career Opportunities: [Special Agents](#)**

University of Phoenix is regionally accredited and military-friendly. We offer a wide variety of degree programs that are convenient yet academically rigorous and applicable in today's workplace. Choose online or on-campus courses and be a full-time student by taking only one or two classes at a time. University of Phoenix currently has more than 250,000 students at more than 200 locations in North America. The university offers associate, bachelor, master and doctoral degrees. We provide jobs to 14,000 regular full-time employees across the nation. We know you've got a lot to offer. That's why; in return, we offer our employees the best. The university offers career advancement opportunities and benefits include 100% tuition reimbursement, medical, dental, vision, 401K, and stock purchase plan. **At University of Phoenix, we are proud to serve those who serve our country and we make education realistic for military members.** Special tuition rates are available for active-duty military members and their spouses. **Dedicated military advisors provide support and service to students throughout their entire degree programs—all the way to graduation. To learn more, call 706-564-0136, email military.services@phoenix.edu.** The University of Phoenix has nine Georgia campus locations in Marietta, Snellville, DeKalb, Gwinnett, McDonough, Macon, Columbus, Savannah and Augusta. **Higher Education & Career Opportunities: Associate, Bachelor's, Master's, Doctoral Degree Programs and full time careers.** Visit: www.phoenix.edu.
