Prepare to stand out and shine today at the career fair! Diversity Hiring Expos invites you to experience the benefits of the "Professionally You Survey." This is a FREE service provided by Diversity Hiring Expos to assist you in your professional job search. Your survey results will identify your strongest attributes and help you learn about hundreds of jobs opportunities (matches) where you are a natural fit and well suited to seek employment. Your results will assist you in representing yourself well to prospective employers. Go on line, complete the survey and get your result at today's career fair when you arrive. If you complete your survey after the career fair your results will be emailed. Go to www.professionallyyou.com. Select the survey box at the lower left corner. Enter **User ID: dxpo2223**, **Password: charleston** (lower case) and complete the questionnaire form. All questions will require a response. It's important that you call Bruce King at 678-698-6545 for additional unmarked results of your competency scores and an explanation of your job matches in order to best represent yourself to prospective employers.

Attention Charleston: IT Professionals with Security Clearances or with SCl with Poly are needed. An American multinational information technology company is hiring in Charleston and around the country. If you have these skills email your resume to jim@diversityhiringexpos.com or leave your resume at the registration table at today's career fair for consideration.

Volvo Car U.S. Operations – We started making cars in 1927 because we believed nobody else was making them strong enough or safe enough for Swedish roads. Along the way we've come up with countless innovations, some of which have changed the world. We introduced the three-point safety belt in 1959, and since then, an estimated one million lives have been saved. Everything we do starts with people, and we're very proud of the great personalities that have made Volvo Cars what it is today. Our team members live by our three core values: safety, quality and care for the environment. Protecting what's important; making people feel special; taking pride in helping the world become a better place for all. We're hiring multi-craft technicians, production team members and support staff who want to help us drive forward to build Volvo Cars' very first manufacturing plant in the US! Career Opportunities: Please visit our booth space at the career fair! **Open professional positions can be found at <https://www.volvocars.com/us/footer/careers>. Open production positions can be found at www.readysc.org/volvo.**
